Tuesday, Sept 28. Mr Phillip Hale criticized & he is unusually good. He cheers you up by saying so & so is "kind of good" & such & such is "sort of nice" & then begins "but this and that" and goes on to pull it all to pieces. He often uses terms as "You might say so & so" & then makes very amusing remarks & tells funny stories without cracking a smile. He didn't begin Anatomy and so

Tuesday, Sept 28. [1926] Mr Phillip Hale criticized & he is unusually good. He chers you up by saying so & so is "kind of good" & such & such is "sort of nice" & then beings "but this and that" and goes on to pull it all to pieces. He often uses terms as "You might say so & so" & then makes very amusing remarks & tells funny stories without cracking a smile.

Saturday, Dec 12<sup>th</sup>. Went to school & finished my head. It came on quite well but it is rather a difficult one to do & I didn't get it quite right in part. There were even one else always seems so much better. My number 70. Went up to Mrs Morgan's about my costume & we were all delayed getting out to Concord & finally arrived there after five.
